KEWANEE HIGH SCHOOL SONG

On, ever on, Kewanee High School,
Let's put our colors in the sky;
Thus far they've flown without a single blot.
So now it's up to us to give the game the
best we've got.

Tho' sometimes the score may be against us,
Let no one say we failed to try,
And always fighting we will show the world
That there's a real Kewanee High!

Come on you team, let's wipe 'em out,

On, Kewanee, on!

They're out-classed without a doubt!

On, Kewanee, on!

Let's fight

That's right

We'll raise our triumph shout by singing:

After the fight is over,

We'll see our colors floating high;

Real fight will ever keep our flag unstained,

And every time we fight it's just another
victory gained.

So we can forget about the scoreboard,

When we have made our biggest try,

You see we've always won, for we have
shown the world

That there's a real Kewanee High, Fight!

STARS OF KEWANEE

The stars of old Kewanee

Will brightly shine tonight

While here her loyal sons and daughters

Loudly cheer the fight (rah rah)

The stars of old Kewanee

Will win this game tonight

And victory so bravely won

Will keep our stars alight.
